Built-in 125 Channel, Cable Ready, TV Tuner

Vivitek
A Delta Company

True SVGA presents sharp, brilliant, film-like images from your computer or video source.

125 Channel TV Tuner allows direct connection to cable, satellite or broadcast TV.

Extreme Ruggedness withstands the rigors of frequent and portable use.

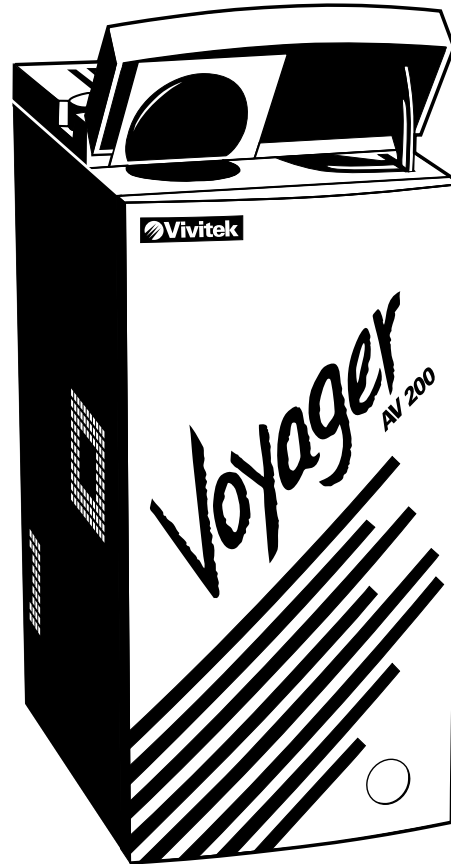

400 ANSI Lumens is bright enough to project with the lights on.

Three Polysilicon LCD's deliver saturated, vibrant, natural colors.

Innovative Design is compact, lightweight and includes built-in keystone correction.
