

C350

Brighter, Deeper, Better.

ASK Proxima is proud to unveil the latest and greatest ultra powerful meeting room projector, the C350. Developed for use in large meeting rooms with high-resolution connectivity needs, the C350 offers more features and impressive visual performance in a quiet, smaller footprint. This projector is built for dependable high-performance operation, enabling your team to work better together.

Step Ahead

The C350 harnesses the power to make any meeting space suitable for digital projection. 3500 lumens combine with a 2000:1 contrast ratio to offer high-quality images with impeccable clarity thanks to DLP® chipset technology. Unlike LCD-based projectors, the C350 offers a truly rich contrast ratio for easy-to-read onscreen documentation and exceptional video performance in both color saturation and black-level performance. Whether it's a bright conference room without any light control or a massive meeting room requiring the most spectacular detail, the C350 will please each meeting attendee. Connect to the IN38 in multiple ways to showcase multimedia presentation material through onboard M1-DA high-resolution input paralleled by a dedicated Component input to offer exceptional data and video quality, or step up to HDMI through an optional M1 adaptor.

Advantage: C350

Thanks in part to the utilization of DLP chipset technology our customers will never experience fading colors or decreased contrast, while all LCD-based projector systems fall victim to this "battle against the clock". Over time ASK Proxima DLP projectors will yield a much lower cost and continually outperform LCD projectors. The C350 represents the latest and greatest meeting room projector from ASK Proxima in terms of performance, cost and a long life of outstanding image clarity.

Better Than Ever.

The C350 is a true step up in the meeting room projector category. Offering extreme performance with a refreshing feature set, including:

- 3500 Max ANSI Lumens
- 2000:1 Contrast Ratio (True-to-life, no active iris necessary!)
- Whisper-quiet 31 dBA
- High Resolution DLP® XGA chipset
- Tabletop, Ceiling-mount and rear projection available within factory settings.

The open-top access to zoom and focus controls allows for easy image adjustment – even when the C350 is installed.

Wireless Ready

The C350 is 100% compatible with the InFocus LiteShow II wireless adaptor, offering full featured wireless functionality of data, video and audio transmission to this breathtaking new projector..

TECHNICAL SPECIFICATIONS*

Native Resolution	• XGA 1024 x 768
Display Technology	• 0.7" DLP® XGA DMD by Texas Instruments™
Input Sources	• 2xComputer (M1-DA and VGA); 5xVideo (3x Component YPrPb, 2 available with optional M1 and VGA adapters, S-Video 4-pin mini DIN, Composite RCA; 1xAudio; 2xControl Inputs (RS232, USB (via M1-DA))
Output Sources	• Monitor Out (VGA); Variable Audio Out (3.5mm)
Computer Compatibility	• VGA(640x480), SVGA(800x600), XGA(1024x768), SXGA(1280x1024),Macintosh
Video Compatibility	• SDTV (NTSC,PAL,SECAM,480i,576i) ED/HDTV(480P, 720P,1080i)
Brightness	• 3500 Max Ansi Lumens 2800 in Eco Mode
Contrast Ratio	• 2000:1
Number of Colors	• 16.7 million
Brightness Uniformity	• 95%
H-Synch Range	• 31~79Khz
V-Synch Range	• 50 ~85Hz
Digital Keystone Correction	• Vertical +/- 15°
Standard Projection Lens	• F number: F2.3~F2.75, Focal length: 23.6~28.25mm
Zoom Ratio	• 1.2x Manual Zoom
Throw Ratio	• 1.6~2.0:1
Aspect Ratio	• 4:3/5:4/16:9
Minimum Projection Dist	• 4 ft (1.2m)
Image Size (diagonal)	• 30"-300" (0.75-8.0 m)
Projection Methods	• Front, ceiling, rear, rear ceiling
Audio	• 2W mono
Control	• IR remote
Lamp	• 300W/250W eco mode
Product Dimensions	• 12.2" w x 4" h x 9" d (309 x 102 x 229mm)
Product Weight	• 7lb (3.2 kg)
Product Color	• Black
Shipping Weight	• 12 lbs (5.4 kg)
Shipping Dimensions	• 16.5" H x 9.5" W x 13" D (419 mm H x 241 mm W x 330m L)
Power Consumption	• High Power = 380W Low Power = 330W Standby = 8W
Power Supply	• 100-240 Volts at 50-60 Hz
Operating Temperature	• 41-95 °F (5-35 °C)
Ships with	• AC power cord x 1 (1.8m), M1 VGA cable (1.8m) x1, Remote controller x1 w/ battery, Multi-language user's guide in CD x 1, Warranty card x 1, Safety card x 1, Lens caps w/ hanging x 1
Menu Languages	• English/German/French/Italian/Spain/Portuguese/Japanese/ Traditional Chinese/Simplified Chinese/Russian/Korean
Audible Noise	• Normal 34dBA; Eco 31dBA
Approvals	• UL/cUL, FCC, CE, TUV-GS/CB report
Warranty	• 2 Years
Lamp Warranty	• 6 Months
Product Warranty	• 2 year parts and labor
Security	• Kensington lock

* Actual lamp life may vary based on the ambient environment. Conditions affecting lamp life include temperature, altitude or rapidly switching the projector on and off.

+ ASK Proxima reserves the right to alter product offerings and specifications at any time without notice.

++ Product warranty may vary per region.

SHIPS STANDARD WITH:

- Wireless Remote Control (including batteries)
- Computer Cable
- Power Cord
- SCART Adapter (EMEA Only)
- User Guide (printed version)
- Quick Start Card (printed version)

OPTIONAL ACCESSORIES

- Ceiling Mount
- Projection Screens
- Performance Cables & Adaptors
- InFocus LiteShow II Wireless Adaptor
- Advanced Remote Control

SERIOUS COMMITMENT

ASK Proxima's dedication to quality and customer satisfaction is reflected in service options that will bring you a greater return on your investment. ASK Proxima projectors come with a standard two-year limited factory warranty, including parts and labor, a 90-day or one-year accessory warranty, and a six-month lamp replacement warranty. Our customer support offers you premium service and convenience, whatever your needs.
