

PlayTime LED GAMING PROJECTOR PT110

TURN ANY ROOM INTO A PLAYROOM

Enjoy your favorite games or movies on a large, wide screen

LED light source provides rich, beautiful colors, with no lamps to buy or replace

Project content from your favorite game console, PC, Blu-ray disc player, tablet, smartphone, etc.

Lightweight, portable personal projector — Allows you to project your favorite websites or movies onto your bedroom ceiling or wall

The Optoma PT110 is the ultimate projection device. Project over 100" (diagonal) vibrant, full color content from your favorite game console, Mac or PC computer, Blu-ray disc player, tablet and more onto any wall or ceiling. Provides hours of fun and entertainment. Easy to operate — just plug in, connect your source, press power and enjoy. The built-in speaker provides loud, clear sound for everyone to experience.
