Home Cinema 2030 2D/3D 1080p 3LCD Projector

Full HD 2D and 3D 1080p performance at a remarkable value.

Up to 3x Brighter Colors¹, and reliable performance — 3LCD, 3-chip technology

One measurement of brightness is not enough — look for both high color brightness and high white brightness. The Home Cinema 2030 has:
  Color Brightness: 2000 lumens²
  White Brightness: 2000 lumens²

High-definition, 1080p, widescreen performance — for movies, games and more — up to 300" on virtually any wall or screen

Exciting 2D and 3D adventures — delivers eye-popping 3D entertainment at home with RF 3D glasses (sold separately)

Versatile connectivity — two HDMI ports, including one MHL, and more for all of your favorite HD devices
Home Cinema 2030 2D/3D 1080p 3LCD Projector

Full HD 2D and 3D 1080p performance at a remarkable value.

Discover bright cinematic adventures at home with the Home Cinema 2030. Enjoy Full HD 1080p performance practically anywhere, in 2D or 3D. Images are always rich and brilliant with 2000 lumens of color brightness and 2000 lumens of white brightness. Cheer on your favorite team with images up to 300” on any wall or screen. Use the built-in sound or your own speakers. Setup is easy. The Home Cinema 2030 comes with two HDMI ports. And, MHL connectivity turns your projector into a smart display, providing instant access to movies, videos and games from MHL-enabled smartphones and tablets.

Up to 3x Brighter Colors with Epson

Brilliant image quality requires high color brightness (color light output), and Epson 3LCD projectors have up to 3x Brighter Colors than leading competitive projectors. One brightness measurement (lumens) is not enough. A projector’s specification needs to show both high color brightness and high white brightness. If color brightness is lower than white brightness, images may be dark, dull and lose detail. If not provided, be sure to ask for a projector’s color brightness specification.

3LCD — The #1 projection technology in the world

• All 3LCD projectors have both high color brightness and high white brightness
• All 3LCD projectors have 3 chips
• 25% lower power consumption for lower energy costs
• 20 years of road-tested reliability

The best-selling projectors in the world

Built with image quality and reliability in mind, Epson high-definition projectors take home theater entertainment to a whole new level, featuring color and detail that’s sure to win rave reviews from friends and family alike.
3D cinematic adventures at home

Enjoy 2D or thrilling 3D adventures right in the comfort of your living room. With RF 3D glasses (sold separately), the Home Cinema 2030 puts you right in the middle of the action.

Project on virtually any wall or screen

Turn your garage into a man cave, host exciting backyard movie nights, or enjoy the big game. Project up to 300” on virtually any wall or screen. Plus, you can install it on the ceiling for the perfect home theater experience.

Stress-free setup from Epson

Epson makes watching your favorite movie or sporting event or playing videogames on the big screen virtually effortless.

- **Easy image adjustments**
  Position your projector almost anywhere. Epson projectors automatically correct images vertically. And, for horizontal image correction, use the easy-slide control bar to make the necessary adjustments.

- **Built-in color modes**
  Choose from one of four special color modes optimized for different content and settings. Whether playing videogames in the man cave or watching TV programs in the living room, you’ll get the best possible quality and color.

- **High-quality, HD video in a snap with two HDMI ports**
  HDMI connectivity makes it easy to use receivers, Blu-ray® players, game consoles, Apple® iPads, Apple TVs and more.

- **MHL — the latest in connectivity**
  Turn your projector into a smart display with instant access to movies, games and more:
  - Works with MHL-enabled smartphones and tablets
  - Use the projector remote to control MHL-enabled devices
  - Supports Full HD 1080p video and 7.1 audio
  - Simultaneously charge your MHL-enabled device when it’s plugged into the projector

Additional Features/Benefits

- **Easily turn your projector into a smart display** — works with MHL-enabled smartphones, tablets and streaming devices³ — for instant access to movies, videogames and more

- **Built-in sound to enhance any movie** — for even more sound, add your own speakers; listen to audio, even when the projector is turned off

- **Larger-than-life photo slideshows** — PC-free with USB 2.0 connectivity

- **Amazing Full HD 1080p entertainment** — 1080p resolution ensures an amazing, larger-than-life HD experience, while high color brightness delivers bright, vibrant image quality — whether it’s a blockbuster movie, live sporting event or videogame.

## Projection Lens

- **Type**: Manual Focus / Manual Zoom
- **F-number**: 1.58 – 1.72
- **Focal Length**: 16.9 – 20.28 mm
- **Zoom Ratio**: 1.0 – 1.2 Manual

## Display Performance

- **Native Resolution**: 1920 x 1080 native 1080p; HD, 2D, 3D
- **Color Modes**: 2D: Dynamic, Living room, Natural, Cinema, Auto 3D: 3D Dynamic, 3D Cinema

## Terminal Inputs

- **2 HDMI**
- **1 RCA (composite)**
- **3 RCA (component)**
- **2 RCA (1 audio L/R) stereo**
- **1 VGA D-sub 15 pin (computer input)**
- **1 USB Type A**
- **1 RS-232c (DB-9 pin)**

## Video Compatibility

- **2D**: WXGA 60Hz, WXGA, SXGA, XGA, SVGA, VGA
- **3D**: 3D Dynamic, 3D Cinema, 3D Cinema, 3D Cinema

## Terminal Outputs

- **Audio Out**: Speaker
- **PC**: 1 VGA / SVGA cable – 25 ft
- **SM**: 1 HDMI (MHL)

## Fan Noise

- **0.36 W Standby**
- **234 W Lamp on (ECO)**
- **283 W Lamp on (Normal)**

## Power Supply Voltage

- **100 – 240 V AC +/-10%, 50/60 Hz**

## Operating Temperature

- **41 °F to 95 °F (5 °C to 35 °C)**

## Dimensions (W x D x H)

- **Including feet**: 11.69” x 9.72” x 4.13”
- **Excluding feet**: 11.69” x 9.72” x 4.25”

## Weight

- **6.4 lb**

## Remote Control

- **Features**: Front and rear directional
- **Operating Angle**: ± 30 degrees left/right, ± 15 degrees up/down
- **Operating Distance**: 19.7 ft (6 m)

## Support

- **The Epson Connection**
- **Pre-sales support**: 800-463-7766
