### ■ Enjoy Big Screen Entertainment Anywhere

Just connect BOXi to your **video games console, Blu-ray/DVD player, Smartphone, STB or PC** via HDMI to enjoy big screen entertainment. Share photos and video instantly. Attach external speakers for improved sound performance.

### ■ Share Images with friends

The short throw BOXi projector can produce a bright, clear 25"-68" image even in a small room.

### ■ Ultra Portable

Weighing only 1.1 lbs, as small as a lunch box, the BOXi is easily taken to friends or family.

### ■ Eco & Budget saver

The BOXi's 20,000 hour LED lamp life saves costs and gives peace of mind.
