Luxus Communicator

Traditional Quality

The Stewart Filmscreen Luxus Communicator manual pull-down screen offers all of Stewart's acclaimed quality and performance for applications where an electric motorized system is either not desirable or practical.

Insist on the Best

Optimize your Luxus Communicator with a Stewart Academy Award® winning screen material.

Picture Perfect

Black overscan borders surround the image area complementing the picture perfectly.

Built to Last

The easy, smooth pull-down mechanism offers the capability of unlimited stops along its full length of travel. Stewart's exclusive Tab-Guy tensioning system is included to assure the screen will always remain smooth and flat when extended for use.

Trust Stewart

Stewart Filmscreen is synonymous with high quality materials, superior craftsmanship and long, trouble-free product life. Since every Stewart Filmscreen product is hand crafted, custom sizes and configurations can also be accommodated. Call Stewart Filmscreen today and we will build one for you.
