CUSTOMIZED BRANDING FOR PROJECTORS

Panasonic is pleased to offer customized branding for projectors. Customized 'skins' are a great way to showcase school spirit, recognize fund-raising donors, display company colors/logos or complement any decorative environment.

CHOOSE FROM 4 SKIN OPTIONS:

- Full Skin – Solid White Vinyl
- Full Skin – Custom Graphic/Logo/Color
- Custom Top Panel Skin Only
- Custom Top Panel Contour Cut – Custom Graphic/Logo/Color

- Available in Matte or Glossy Finish
- Custom Colors and Pantone Color Matching
- User-Supplied Graphic/Logo can be Incorporated into Design
- 5-10 Business Day Turnaround
- Will Not Void the Projector Warranty if Completed by Panasonic
- Skins are for Long-Term Use or can be Easily Updated/Replaced

Terms & Conditions

1. Camera ready artwork/logo to be provided by customer for custom graphics option. Graphics must be at least 300dpi, common file formats accepted (.tif, .tiff, .jpg, .png, .eps, .raw)
2. Projectors must be shipped in Original factory boxes, if original boxes are not available please contact Panasonic for assistance, additional charges may apply.
3. Upon ordering SKU, the following information is required:
 - Return ship to address
 - Customer contact information
 - Product model & serial numbers for all units
4. Graphic and/or logo to be emailed to Panasonic along with information to create template for customer approval.
