CP-731i

Light, powerful, and full-featured, the **BOXLIGHT CP-731i** projector is the **TRAVELING PRESENTER'S DREAM MACHINE**. Packed with power and intelligently designed, it weighs in at only 7.2 lbs/3.25 kg so you can easily **TAKE IT ANYWHERE**. Its 1600 ANSI lumens mean lighting conditions are never an issue—presentations can happen even in well-lit rooms. Multiple inputs allow for **EASE OF USE**. Plug in multiple laptops and one peripheral system simultaneously and go from one presenter to the next **EFFORTLESSLY**. And with features like digital zoom and a remote control with built-in laser pointer, major presentation points can be easily emphasized. It is time to grab a **CP-731i** and start presenting. Contact **BOXLIGHT** today.
