ELMO

EDP-X20

LCD DATA PROJECTOR

***XGA Presentation Power! - Bright & Sharp Image
with true Portability and full functions***

ELMO's new, full-featured, ultra-portable, multimedia Data Projector provides high resolution (1024x768) image quality with accurate color reproduction. It is ideally suited for those mission-critical presentations calling for higher light output as well as zoom capability. It is also designed to work flawlessly with ELMO's High-Resolution XGA Visual Presenters.

- Bright display at 1100 ANSI lumens
- True XGA (1024x768 native) plus compressed SXGA resolution
- 7.2 lbs light and compact body with sliding lens cover
- 1.2x optical zoom plus 4x digital zooming
- Digital keystone correction
- Full function wireless remote control with laser pointer
- 1W x 2 stereo speakers and versatile outputs/inputs incorporated
- 4:3 to 16:9 image aspect selection
- Mirror status, blank screen, and other useful functions
