

## PD525D Portable DLP™ Projector The Freedom of Mobile Power

The PD525D unites independent portability and superior performance enabling you to leverage on your ideas and deliver your visions at no compromise.

Powered by DLP™ technology and innovation within a design built to enable the ambitious professional to master business meetings with precision and style.

### Key Benefits:

- Empower your vision with crisp and focused results thanks to the incredible contrast ratio of 2000:1 and high brightness of 2600 ANSI lumens.
- High-powered application users require the latest in cutting edge technology to achieve the best results, the PD525D integrates a native XGA resolution guaranteeing captivating results with perfect precision.
- Release the burden weight of the mobile office with the PD525D, heavily powered but light on your shoulder with a total carriage weight of only 2.4kgs.
- ECO mode ensures even quieter running and longer lamp life but still with an impressive 2100 ANSI brightness level.
- Reduce the overall cost of ownership with the advanced DLP™ technology, fully compatible with the latest digital equipment and sophisticated notebooks installed within any modern business environment today.
- Multiple connectivity including DVI Digital connections ensures ultimate ease of use together with an additional loop through VGA output and Digital Zoom.

Part code	EY.J1501.006
EAN code	4718235351182
Resolution	XGA 1024 x 768
Brightness	2600 Ansi Lumen (2100 in Eco)
Contrast Ratio	2000:1
Noise Level	30Db (Std), 27Db (Eco)
Projection Distance	1.2m ~ 12.2m
Throw Ratio	49" @ 2M
Lamp Life	2000 Hrs, (3000 in Eco)
Input Signal	Analogue (D-Sub), Digital DVI-I, S-Video, Composite
Keystone Correction	Supported +/- 16
Audio	One Internal Speaker (3W)
Weight	2.4Kg
Dimensions	277 x 237 x 107 mm
Replacement Lamp code	EC.J1001.001
