Hi-def wireless projection

The Acer P5260i lets you enjoy cable-free projection in various presenting environments, for better meetings and more convenient multimedia viewing. Using the latest 802.11b/g wireless technology, the Acer P5260i ensures lossless quality and instantaneous projection of high-def video and images from anywhere in the room.

A high brightness rating of 2700 ANSI Lumens, native XGA (1024 x 768) resolution, and 2000:1 contrast ratio bring out vibrant colors for a totally absorbing viewing experience in all lighting conditions.
