high bandwidth for security today and tomorrow

ULTRALIGHT SV1

Still using an overhead projector to make your most important presentations? Now is the time to harness the power of a multimedia projector. Proxima's UltraLight SV1 is a lightweight, 8.1-pound projector featuring SVGA resolution and a manual zoom and focus. At a remarkably low, breakthrough price, the UltraLight SV1 makes it possible for presenters of all levels to fit a projector into their budget.

- new breakthrough price makes the cost of owning a projector more affordable than ever
- 4000-hour lamp life means low cost of ownership and approximately 10 years* of use
- a lightweight 8.1 pounds makes it easy to take your high-resolution presentations with you
- 1.3:1 zoom lens gives you the flexibility to set up anywhere in the room
- 700 ANSI lumens of brightness let you present in well-lit environments
- handy carrying case and easy-to-use remote control offer the essentials a traveling presenter needs at no extra cost

* based on usage of 8 hours a week
