

Pico Genie A100

Ultra Portable LED Pocket Projector for iPhone 4/ S / iPod Touch

Projector for iPhone 4 / 4S / iPod Touch

4-in-1 Device

1. Projector
2. Speaker
3. Battery / Charger
4. Case

The Pico Genie A100 LED projector for iPhone (or iPod Touch) is a case with battery extender and built-in projector inside a normal phone case with powerful speakers. Just dock your iPhone (4/4s) or iPod Touch 4 into the superbly designed Pico Genie case and start projecting the latest videos, or even your business presentations straight from your iPhone or iPod Touch. Apps are now available for mirroring almost all elements of your iPhone or iPod Touch screen.

Using the Pico Genie A100 projector for iPhone / iPod, you can share content anywhere and enlarge videos/ photos from your 3 inch iPhone screen to a 60 inch image on the wall, floor, ceiling desk etc. You can even watch (music) videos on louder 2W speakers built-in to the device. As the original providers of the world's first accessory of this kind and heavily profiled on TV, the Pico Genie A100 is the ultimate accessory projector for iPhone or iPod Touch.

Overall, the A100 is the perfect companion for your iPhone or iPod Touch whether you want to project & share your emails, videos, presentations or web pages or whether you want to just charge your iPhone when you run out of power.
