1.8 Gain

The GrayWolf™ by Panoview™ manual wall and ceiling pull down screens are ideal for home theater viewing environments. GrayWolf™ is an innovative new high-contrast, gray-base, glass-beaded screen designed to deliver impressive 1.8 gain. The stylish housing allows flush mounting to the ceiling or wall. An easy, pull-down level locking system fits a variety of projection formats.

- ▶ **Screen Gain** – GrayWolf™ high contrast gray screens have a screen gain of 1.8 for enhanced image viewing excellence
- ▶ **Gray Base Glass Beaded Screen Surface** – GrayWolf's™ gray-base formula with pearl glass beaded are designed to enhance black levels, shadow details and contrast for screens moderate output DLP™, LCD, D-ILA, and LCOS projectors.
- ▶ **Flexible viewing** - Extra large black boarder for true 16:9 cinematic experience.
- ▶ **Viewing Angle** – The wide viewing angle (>100 degree) allows for a wider seating configuration.
- ▶ **Wall or Ceiling Mount** – GrayWolf™ screens fit easily into any installation. The stylish strong and elegant octagonal steel case housing makes for an elegant appearance when the screen is not in use.
